It's a new year, and throughout the four Sundays of January, we will be learning that "It's a New Day for Financial

Freedom." Developed by Crown Financial Ministries, the Sunday morning sermons and adult Sunday School classes will be on Biblical principles of money management.

This is not a stewardship campaign, although as Christians learn to manage their money well, they will have more possessions to use as God leads them. But the focus of this study is not on the tithe, the focus is on how we use the other 90% of our income. This is a practical, Biblical study on how to get out of debt, manage your money, and get on the road to financial freedom.

Many people are surprised to learn that the Bible has over 2,000 verses dealing with money and possessions. What an appropriate topic of discussion in the current economy, and what better place to go for wisdom than God's Word. When the four Sundays of "It's a New Day for Financial Freedom" conclude, we will offer opportunities to take the full 10-week Crown Financial class. My wife and I have taken this class already, and found it very helpful to our personal finances and our spiritual growth, as well.

My prayer is that this study will be a blessing to each of us. I pray that it will be "a new day" for many of our members for many years to come!

See you Sunday with a Bible in your hand and the Son shining on your face!

Your pastor,  
Bob Rogers
