## Homecoming & Groundbreaking

*for new children's & preschool ministry building*

**Sunday, November 2**

**Homecoming offering will go toward Building Fund**

Isn't it wonderful to see so many pictures of new members on this page? As our church continues to grow, our congregation has

made the decision to make more room for families with a new Sunday School building. We voted by about 97% in favor of contracting with Pope Construction to build a \$3.5 million two-story children's and preschool ministry building and add new parking. We plan to have a Groundbreaking on Homecoming Sunday, November 2.

As we grow bigger, we need to get smaller. What I mean is, that we all need to be involved in small groups and ministries such as Sunday School, to build relationships. Good Neighbor Night on October 8 is another way to do that. We only have Good Neighbor Night twice a year, so I encourage you to call one of the hosts and see what food you can bring, and take advantage of the opportunity to meet church members who live nearby.

See you Sunday with a Bible in your hand and the Son shining on your face!

Your pastor,  
Bob Rogers
