Choices. We all have choices, and the choices that we make effect us and everybody around us.

*The Door* is a hard-hitting drama about the choices that we make. Jesus says, "I stand at the door and knock" (Revelation 3:20), and each scene uses a door to remind us that we can choose to either follow Christ or reject Him. We presented this drama in 2004, and 25 people made decisions for Christ!

We need volunteers for stage crew, actors, counselors, nursery volunteers, etc. Please read the information on the front page, and sign up at the church to be involved. Get a handful of *The Door* bookmarks and use them to invite your friends and neighbors. And pray that God will use this drama to touch lives for Christ. Because *The Door* is too intense for younger children, we will provide childcare.

One of the most important choices we make is a partner for life. The new movie, *Fireproof*, is about making the right choices in marriage. It was produced by the same people who did *Facing the Giants*. See the information on the front about the special viewing for church members on Saturday, September 27.

Beginning September 21, I will begin a Sunday morning sermon series on marriage. I pray that we will all make the choice which is the theme of the movie *Fireproof*: "Never leave your partner behind."

See you Sunday with a Bible in your hand and the Son shining on your face!

Your pastor,  
Bob Rogers
