Men ages late 50's – early 70's

Teachers: Gilbert Callaway and Vernon Gordy

**Time:** 9:00 a.m. The class meets in the brick building behind the church offices.

Gilbert and Vernon teach the Lifeway curriculum Life Ventures. Both of these men have been teaching for a number of years and do an excellent job. The class is very active in social ministries in the church and the community as a whole. The men have done numerous projects, including the new sidewalk next to the White building. The class plans quarterly socials on a regular basis. Come and join the class. Questions, see Gilbert or Vernon.

### Sunday School Tip of the Week

Over three-fifths of Adult Ministry Leaders say their students would prefer to alternate between books of the Bible and specific topical issues in ministry. People want to study the Bible. Stay connected this week by; a class fellowship; calling the roll including prospects; provide name tags each week; provide a space for new people to sit; invite new class attendees to lunch. Your actions will show that you really care about people.
